

Peter Putz

Peter Putz brings 28 years of experience in the paper industry to his role as Mill Director at Sappi's Gatkorn mill. On a day-to-day basis, Peter is focused on the mill's smooth operational performance. He does this with a keen foresight; he believes that having the right teams in place—and the resources to support those teams—will ensure the success of Gatkorn in the future.

For Peter, there is nothing more exciting than being in the paper business. The industry employs all the latest, most efficient technologies, technical solutions and materials. These, coupled with the committed employees and range of stakeholders he's able to interact with daily, make Gatkorn mill a dynamic place to be.

He's spent 15 years working at Mondi Group in management, operations and technical roles. Before joining Sappi in 2023, he was Managing Director at Mayr-Melnhof Karton. Peter lives in the countryside, about forty minutes outside of Vienna city centre, with his wife, two children, two dogs, two rabbits and a horse.
